

Monthly Sales Performance Analysis

Channel contribution, quarterly performance and commercial insights

Executive Summary

Sales are distributed across five channels. Discount Sales is the largest contributor, while Digital and Off-line Stores together provide more than half of total channel activity.

Key Insights

30% Discount Sales 27% Digital Stores
25% Off-line Stores 10% Others
8% B2B Channels

Interpretation

Promotions are the strongest current driver. Growth can be improved by retaining discount-led customers through digital channels and expanding B2B partnerships.

Quarterly Sales Table

Sales Department	Q1	Q2	Q3	Q4	Annual Total	Performance
Department 1	699	630	892	774	2,995	Stable
Department 2	800	988	814	796	3,398	Highest
Department 3	870	590	646	618	2,724	Needs focus
Department 4	1,098	488	992	650	3,228	Strong
Department 5	1,234	458	936	690	3,318	Strong
Total	4,701	3,154	4,280	3,528	15,663	Overall

Recommendation: Strengthen digital retention, measure discount profitability, grow B2B offers and focus improvement efforts on Department 3. Department 2 currently records the highest annual sales.
